

County Weeds Abatement Notices Out

The Weed Abatement Section of the Department of Forester and Fire Warden, Los Angeles County is now posting "Notice to Destroy Weed" signs on weed covered lots throughout the unincorporated areas of the county.

These notices call the attention of property owners that weeds must be removed, otherwise the County Weed Abatement Crews will remove them and a charge for the work will be included in their current tax bills.

Attention is called to property owners in La Canada, Flintridge, Altadena, Belvedere Gardens, Florence-Graham District, Wiltonbrook, Norwalk, Lakewood Village, Hollywood-Sherman District, Pico, Angeles Mesa, Sunshine Acres, South Whittier Heights, Santa Fe Springs, Mesmer City and Arnoz that the deadline for clearing by the owners will be April 10. The Weed abatement program in these districts has been advanced in order that lots not cleared by owners may be cleared more efficiently by mechanical methods by county crews. Property owners in the remaining county unincorporated areas will have until May 15 to clear their lots.

Those owners who desire to remove the weeds from their property and are unable to do so by April 10, because the weeds cannot be burned satisfactorily, will be allowed an extension of time by the Weed Abatement Section, provided a written request for such extension of time, giving legal description of property, is received prior to April 10 by the Weed Abatement Section.

County of Los Angeles, Department of Forester and Fire Warden, Weed Abatement Section, 808 North Spring street, Los Angeles 12, California. Telephone: Mutual 0211. Ext. 3872, Robert M. Sevier, director

Edison Company Man Honored By War Department

Charles E. Heath, of the Southern California Edison Company, has been cited for outstanding service to the Army as regional coordinator for the utilities war time aid program, South Pacific Region. Maj. N. H. Trux, Corps of Engineers, Ninth Service Command, made the award for Maj. Gen. William E. Shedd, commanding the Ninth Service Command. Heath is administrative assistant to the Edison manager of operation.

"The War Department," the citation says, "expresses its appreciation for patriotic service in a position of trust and responsibility to Charles E. Heath in acknowledgment of outstanding services rendered to the War Department over a period of two and half years as Regional Coordinator for the Utilities War Time Aid Program, South Pacific region. Mr. Heath, Southern California Edison Company, Los Angeles, California, gave unstintingly of his time and energy, without compensation, to insure an adequate and uninterrupted supply of electricity to military installations and to promote safe working practices among electrical maintenance personnel thereof, thus greatly facilitating the vital functions of training, embarking, supplying and returning overseas expeditionary forces."

EASTERN STAR DEPUTY TO BE HONOR GUEST

The meeting of Torrance Chapter, No. 880, Order of the Eastern Star, to be held this evening in the Masonic Temple, will be marked by the official visit of Laura Howell, deputy grand matron of the district. Helen Millet will serve as chairman. A large attendance is anticipated.

FROM FRONA

Mr. and Mrs. Amos Denney, of Frona and formerly of Torrance spent the weekend here visiting relatives and friends.
